PROFESSIONAL SUMMARY

Information Systems student with solid practical experience in frontend and backend development. Passionate about technology and programming, I seek opportunities to apply and expand my knowledge in challenging environments. Proactive, with a quick learning capacity and focused on delivering innovative solutions.

ACADEMIC BACKGROUND

Bachelor's Degree in Information Systems - Estácio de Sá - 5th semester

COURSES AND TRAINING

Frontend development with React.js and React Native – Creating dynamic applications.

APIs with Spring Boot (Java) – Developing robust RESTful services.

Advanced Excel – Data analysis and process automation.

PROFESSIONAL EXPERIENCE

JUNIOR FULLSTACK DEVELOPER

Elevate | July 2025 – Present

SOFTWARE DEVELOPMENT INTERN

Elevate | August 2024 – July 2025

- Development, maintenance, and evolution of frontend and backend applications, working throughout the entire software lifecycle.
- Technical leadership of projects, defining architecture, priorities, and best development practices.
- Managing and supervising interns, guiding them in software development, reviewing code, and supporting their technical growth.
- Identifying, analyzing, and correcting bugs in collaboration with the team, ensuring the quality and stability of deliverables.
- Creation and maintenance of technical documentation, facilitating project continuity and end-user support.
- Support in making technical decisions and organizing tasks within the team.

TECHNICAL SKILLS

Hard Skills

Frontend:

- *React.js*
- *React Native*
- *HTML & CSS*
- *JavaScript*
- *Styled-components*
- *Typescript*

Backend:

- *Spring Boot*
- *Java*
- *SQL (PostgreSQL)*

Other technologies:

- *Firebase*
- *RESTful APIs*
- *AWS*
- *Google Cloud*
- *Stripe*
- *OAuth 2.0*
- *Git*
- *GitHub*

Soft Skills

- *Proactive attitude*
- *Effective communication*
- *Problem solving*
- *Teamwork*
- *Adaptability*
- *Leadership*

Languages

Portuguese - Native

English – Intermediate

- Professional proficiency in reading, writing, and communication.
